

January 21, 1951

Dear Miss de Mazia;

I would like to accept the proposal you made me for next year, to conduct a beginning class for Lincoln students in art appreciation at the Foundation. I would like to talk to both you and Dr. Barnes about the work involved, about preparing myself, and several other pertinent points. Any time that you choose to set for a rendezvous during this week will be suitable for me. Anytime except Saturday morning.

Respectfully yours,

Paul Moses

Paul Moses.
